Inaugural session ended with vote of thanks by Mr. Vivek Trivedi, HOD Computer Application Department.

-3- Days' Youth Festival

3 days youth festival was organised as in past on the occasion of great Saint Pathik Janmotsava. Highlighting the teachings of Pathik ji, the Principal Dr. Narendra Mohan said that great Saint more and more concentrated to establish educational institutions instead to go for temple construction in remote areas.

Shri Vinay Trivedi Manager of the institution suggested the audience to follow the principles emphasized by Pathik ji. Various events were organized wherein boys and girls students participated with great enthusiasm Some of important events were essay / quiz competition, Volley ball, Chasse, Rangoli, Debate, Songs, Racing and Dance etc.

On third day Dr. Brijesh Bhaduria, Manager of Jaswant Singh Bhadauria P.G. College, Amaur encouraged the students insisting not for only bookish knowledge but to concentrate for overall personality development through co-curricular and extra curricular activities . On the occasion, prize distribution was done to winners of different events.

Concluding address was given by Principal Dr. Narendra Mohan and vote of thanks was given by Shri Vivek Trivedi of B.C.A. Department.

23.01.2015

Subhash Chandra Jayanti was organized. Students, teaching and non teaching staff deliberated about boldness and nationalism of Neta ji.

30.01. 2015

Temple foundation was celebrated. Prasad was distributed and to students to about 250 local citizens.

02.02.2015

An essay and quiz competition was organized on Wetland day in College hosted by Divisional Forest Officer of the area. Winners were given the prize also by D.F.O. himself.

28.02.2015

Science day was organized like past years. The students had organized an exhibition where in they brought out their hidden talents, creativity and scientific temper through models and other presentation important thing was the presence of about 15 Village Panchayat Pradhans who appreciated heartily to the talents by visiting all stalls.

At this time, Pradhans also talked about formers club activities particularly about the availability of proper markets for medicinal crops. The principals of the college development awareness about preparation of vermi compost which was appreciated by all panchayat pradhan as innovative technology atleast for this area.

25.03.2015

The College had offered to Basic Education Department of the state for adoption of local primary and junior school only for limited purpose i.e. to provide our students of Teacher Education Department to meet the shortage of teachers in these schools. The offer was accepted only for this purpose.

In this process children of these school had visited the library, language lab, computer lab etc. One workshop of children level was also organized. All the children were very happy with this new academic environment.

FROM THE FOUNDER'S DESK

Assessment and Accreditation of Teachers Education Department by National Assessment & Accreditation Council (NAAC) is certainly a milestone for our college but this process has inherent message- a message for her campus community to use it not for complacency but for true introspection. Here is nothing for discouragement but is everything to translate

Assurance cell (IQAC) but we must ensure that it is not confined only to record building cell. This cell adequate empowerment to make more effective highest academic body of the Institution. More and more use of latest Technology not only for teaching-learning but also for community services, establishment of one active and result oriented placement cell and science-led value education are main challenges before our college.

Let us Pledge our co-operation for meeting these challenges successfully. Let us popularize the emotional feeling of "Mahavidyalay Pariwar" amongst all our stakeholders, Finally, let us bring a day when all to quote and follow us and not and not us to quote and follow others. I extend my hearty congratulations to the Publication Board of Newsletter and appreciate for their all efforts to bring out this issue. With warm hearty New Year's Greeting for all our stakeholders.
